

OPERATION ARCTIC CITADEL INTELLIGENCE SUMMARY D2

1 General Information

This intelligence summary covers the last 24 hours (From D2).

2 Intelligence

2.1 Political

2.1.1 Notian and Xilong talks

During D2 Notian and Xilong officials have continued talks. Credible reporting indicate that Xilong have reassured Notian officials and informed that they have started support and a military to military cooperation is underway.

ASSESSMENT:

It is LIKELY that Xilong started providing air assets in support of Notia during D2. It is EVEN CHANCE that Xilong will continue moving air assets into Notia during D3. It is HIGHLY LIKELY that Xilong will support Notia and prevent the Notian regime from collapsing.

2.2 Ground

2.2.1 Notian factories and surge operations

VID have credible reporting indicating that Notia are in the final stages of issuing surge order for Notian factories

ASSESSMENT:

With a surge order, the factories in Notia will likely run 24 hours on double shifts, doubling their production.

2.2.2 SA-6 SAM ready by D4

Credible reporting within Notia indicate that SA-6 launchers are ready by D4 from SRNTGT097 Olenogorsk SAM factory. This is coupled with reporting on SRNTGT073 Apatite Radar Factory that a SA-6 STR is also ready on D4.

ASSESSMENT:

It is LIKELY that Olenogorsk SAM factory have started a surge production to increase the available SA-6 launchers. With the reported information on SA-6 ready on D-4, it is LIKELY that another battery is ready on D11.

2.2.3 SA-14 SAM ready on D2

VID reporting indicate 2x Sa-15 launchers (SRNTGT071 Apatite Vehicle Factory) and 2x SA-8 (SRNTGT098 Poliarnie SAM factory) have been finished and rolled out of the factory

ASSESSMENT:

It is LIKELY with surge production that on D9 another 4x Sa-15 and 4x SA-8 will be completed in the factories.

2.3 Air

2.3.1 Unknown signals

During D2.2 VID sensors picked up unknown signals from NORTH/NORTHEAST.

ASSESSMENT:

It is EVEN CHANCE that unknown signals are connected to air activity from Xilong.

2.4 Sea

2.4.1 High activity at Notian ports

The last 24 hours have seen an increased activity in Notian parts.

ASSESSMENTS:

VID assess it as HIGHLY LIKELY that the Notian fleet is preparing to get underway within the next 24 hours.

3 VID Intelligence gaps

- How do Notia plan to build up a 5th Corps?
- How will Xilong support Notia?
